## Preferred methods of payment

**In Australia** – We accept EFTPOS, MasterCard and Visa credit and debit cards.

**Overseas** – Please contact the Australian diplomatic mission or consulate where you will be lodging your application for advice on payment methods. You will usually be required to pay the equivalent amount in local currency at the prevailing exchange rate. If paying by credit card overseas, you may incur banking and foreign currency conversion fees and be subject to fluctuations in foreign currency exchange rates.

The above fees are imposed by the *Australian Passports (Application Fees) Act 2005* and specified in the Australian Passports Determination 2005. No GST is payable on these fees.
